Our Consultant

Donny Susilo began his career in 2013 after earning a Bachelor's degree in Economics (Management) from Ma Chung University, where he graduated with the highest GPA and received a full scholarship. In 2018, he earned his MBA at Asia University in Taiwan, one of the top AACSB-accredited universities in the country. He also received a full scholarship for his MBA.

Throughout his career, Donny has worked with top consulting firms in Jakarta, was recruited by a High-Net-Worth Individual (HNWI) who is also the founder of Ma Chung University, and held the role of Business Development Manager for a Hong Kong-based company. Furthermore, he also gained academic experience working for Asia University Taiwan, entrepreneurial experience as CEO of a digital startup, and is now the founder of Donny & Partners, an international business consultancy.

Balancing strong academic foundations with practical business expertise, Donny holds numerous professional certifications and has extensive international working experience as a digital nomad across many Asian countries, distinguishing him from other consultants.

Yes, we can help!

Donny & Partners provides expert analysis covering macro and microeconomic, strategy, operation, marketing, human resource, risk, finance, and more. We apply insights from top investors and venture capitalists to enhance business success.

With flexible and secure payment options, free revision, and remote service availability, Donny & Partners offers competitive pricing. Clients can also request on-site consulting if necessary, ensuring adaptability to their needs.

We conduct systematic research, in-depth analysis, and international-standard strategy formulation, going beyond traditional copywriting to increase business success. We also provide after-sales support to help clients implement their business plans effectively.

We Always Work Professionally

- ❖ We truly understand, work agreement is required to convince our clients that our project will be done accordingly
- ❖ Once we get detail of the project, a work agreement draft and the proposed fee will be offered to sign, all detail about address, term and condition of payment and service will be written there
- ❖ Only after the work agreement is signed, then you can proceed any payment

Merevolusi Karakter Anak Zaman Now

Redaksi 11 bulan ago

Salah satu tantangan terbesar yang dihadapi generasi milenial saat ini adalah bagaimana membentuk karakter yang kuat dan bertanggung jawab. Banyak generasi milenial yang tumbuh dengan akses teknologi yang melimpah, namun belum tentu memiliki nilai-nilai yang kuat. Oleh karena itu, penting bagi orang tua dan masyarakat untuk merevolusi karakter anak zaman now agar mereka siap menghadapi tantangan di masa depan.

Salah satu cara untuk merevolusi karakter anak zaman now adalah dengan menanamkan nilai-nilai yang kuat sejak dini. Orang tua harus menjadi contoh yang baik bagi anaknya dalam berperilaku. Selain itu, orang tua juga harus memberikan pendidikan yang holistik, tidak hanya fokus pada akademik, tetapi juga pada pengembangan karakter dan keterampilan sosial.

Salah satu tantangan lainnya adalah bagaimana menghadapi pengaruh negatif dari media sosial. Banyak generasi milenial yang menghabiskan waktu mereka di media sosial, yang dapat mempengaruhi karakter mereka. Oleh karena itu, penting bagi orang tua untuk mengawasi penggunaan media sosial anaknya dan mengajarkan mereka untuk bersikap bijak di dunia maya.

Nobody panics when things go "according to plan". Even if the plan is horrifying!

— Heath Ledger —

AZ QUOTES

One possible reason why things aren't going according to plan is that there never was a plan.

— Ashleigh Brilliant —

AZ QUOTES

Strategic planning is worthless - unless there is first a strategic vision.

— John Naisbitt —

AZ QUOTES

There is no substitute for work. Worthwhile results come from hard work and careful planning.

— John Wooden —

AZ QUOTES

A wide-angle photograph of the Shanghai skyline across a body of water. On the left, the Oriental Pearl Tower stands prominently. Next to it is the Shanghai Tower, and further right is the Jin Mao Tower. A white bridge spans the water in the foreground. On the right side of the image, there are older, multi-story buildings with classical architectural features. A small boat with a person on board is visible in the water. A large, semi-transparent blue circle is centered over the image, containing the text.
